

DATE: THURSDAY, AUGUST 25, 2022
TIME: 4:00 PM - 5:00 PM

When someone hears about DV, they often think that a woman is a victim. That's because women are most often victims. But men and children can be victims, too. Victims are at risk of injury, mental health problems, and suicide. We must do all we can to spot, reduce, and get rid of it. The health of families and children depends on taking those actions.

To register, please contact Mr. Derek at dlewis@baltimorehealthystart.org or 443.986.2290
